Educational Loon Trunks

Packed with materials
for schools and
home-school with activities
for Pre-K
through high school!

Share the Wonder of Loons

A loon trunk is full of educational materials and activities for learning about loons. Borrow one for up to 3 weeks! Each trunk is about 1 1/2 feet wide, 1 foot tall, 1 1/2 feet deep, and weighs 35-40 pounds.

Find out what's so special about loons.
